## 1. EXECUTIVE SUMMARY

- 1.1 The Fire and Rescue National Framework for England states that the annual Statement of Assurance should:

*“...outline the way in which the authority and its fire and rescue service has had regard – in the period covered by the document – to this National Framework, the Integrated Risk Management Plan and to any strategic plan prepared by the authority for that period. The authority must also provide assurance to their community and to government on financial, governance and operational matters”.*

- 1.2 The Royal Berkshire Fire Authority Statement of Assurance is structure such that the headline judgements are made about the adequacy of arrangements associated with financial, governance and operational matters. In addition to which, a judgement is made on adherence to the National Framework.

## 2. RECOMMENDATIONS

- 2.1 **NOTE** the summary judgements within the Statement of Assurance for each of the four key areas of Finance, Governance, Operations and delivering the National Framework.
- 2.2 **AGREE** that the RBFA Statement of Assurance 2018/19 be approved.

## 3. REPORT

- 3.1 The internal assessment that was conducted by RBFRS officers against the Framework criteria and produced the following summary judgements:

**FINANCIAL** – requirements associated with the appropriate management of financial matters were **fully met**. Evidence to support this is set out in **Appendix B** of the Statement of Assurance.

3.2 **GOVERNANCE** – requirements associated with appropriate business practice, high standards of conduct and sound governance were **fully met**. Evidence to support this judgement and information on identified areas for improvement are set out in **Appendix C** of the Statement of Assurance.

3.3 **OPERATIONAL** – requirements associated with operational matters were **fully met**. Evidence to support this judgement and information on identified areas for improvement are set out in **Appendix D** of the Statement of Assurance.

3.4 **NATIONAL FRAMEWORK** – requirements associated with the Fire and Rescue National Framework for England have been **fully met** as set out in **Appendix E** of the Statement of Assurance. This assessment was based on the judgements set out in **Appendices B-D**. This is further supported by the independent inspection carried out by Her Majesty’s Inspectorate of Police Constabulary and Fire and Rescue Services.

3.5 Further assurance is provided via audit activities as set out in **Appendix F** of the Statement of Assurance.

3.6 The Statement of Assurance is required to be published by 31 March 2020. The presentation of the Statement of Assurance has been delayed due to the auditing of the Statement of Accounts, and had been due to be presented to the Audit and Governance Committee on 27 March 2020. Unfortunately, due to COVID-19, the meeting of the Audit and Governance Committee was cancelled. Given the circumstances, the Chairman of the Fire Authority and Chairman of the Audit and Governance Committee were consulted on the document at the time, and agreed to sign the Statement of Assurance subject to approval by the Fire Authority at the earliest opportunity. As such, the Statement of Assurance was published by 31 March 2020, and is presented to this meeting of the Fire Authority for approval.

3.1 The Annual Statement of Assurance report is at Appendix A.
