Report issued – 22 November 2024

Dear Audit and Governance Committee

Completion Report for Those Charged With Governance

Attached is our Completion Report for Those Charged With Governance. The purpose of this report is to provide the Audit and Governance Committee of Royal Berkshire Fire and Rescue Service (the Authority) with a detailed complete report covering our approach and outcomes of the 2021/22, 2022/23 audits.

Given that Statutory Instrument (2024) No. 907 - "The Accounts and Audit (Amendment) Regulations 2024" (the SI) imposes a backstop date of 13 December 2024 by which date we are required to issue our opinion on the financial statements, we have considered whether the time constraints imposed by the backstop date mean that we cannot complete all necessary procedures to obtain sufficient, appropriate audit evidence to support the opinion and fulfil all the objectives of all relevant ISAs (UK).

This decision is in line with ISA 200: Failure to Achieve an Objective 24.

If an objective in a relevant ISA (UK) cannot be achieved, the auditor shall evaluate whether this prevents the auditor from achieving the overall objectives of the auditor and thereby requires the auditor, in accordance with the ISAs (UK), to modify the auditor's opinion or withdraw from the engagement (where withdrawal is possible under applicable law or regulation). Failure to achieve an objective represents a significant matter requiring documentation in accordance with ISA (UK) 230 (Revised June 2016).4 (Ref: Para. A77&A78)

Taking the above into account, for the years ended 31 March 2022; 31 March 2023 we have determined that we cannot meet the objectives of the ISAs(UK) and we anticipate issuing a disclaimed audit report.

In completing our work for this audit year we have taken into account Statutory Instrument (2024) No. 907 - "The Accounts and Audit (Amendment) Regulations 2024", Local Authority Reset and Recovery Implementation Guidance. We have also taken into account the requirements of the Local Audit and Accountability Act 2014, the National Audit Office's 2020 Code of Audit Practice (including recent 2024 updates), the Statement of Responsibilities issued by Public Sector Audit Appointments (PSAA) Ltd, auditing standards and other professional requirements. Against this backdrop, we have also considered the Committee's service expectations.

The Audit and Governance Committee, as the Authority's body charged with governance, has an essential role in ensuring that it has assurance over both the quality of the draft financial statements prepared by management and the Authority's wider arrangements to support the delivery of a timely and efficient audit.

We consider and report on the adequacy of the Authority's external financial reporting arrangements and the effectiveness of the Audit and Governance committee in fulfilling its role in those arrangements as part of our assessment of Value for Money arrangements, and consider the use of other statutory reporting powers to draw attention to weaknesses in those arrangements where we consider it necessary to do so.

We draw the Audit and Governance Committee members and officers attention to the Public Sector Audit Appointment Limited's Statement of Responsibilities (paragraphs 26-28) which clearly set out what is expected of audited bodies in preparing their financial statements (see Appendix D).

This report is intended solely for the information and use of the Audit and Governance Committee, and management, and is not intended to be and should not be used by anyone other than these specified parties.

Yours faithfully

Andrew Brittain

Public Sector Audit Appointments Ltd (PSAA) issued the “Statement of responsibilities of auditors and audited bodies”. It is available from the PSAA website. The Statement of responsibilities serves as the formal terms of engagement between appointed auditors and audited bodies. It summarises where the different responsibilities of auditors and audited bodies begin and end, and what is to be expected of the audited body in certain areas. The “Terms of Appointment and further guidance (updated July 2021)” issued by the PSAA (<https://www.psa.co.uk/managing-audit-quality/terms-of-appointment/terms-of-appointment-and-further-guidance-1-july-2021/>) sets out additional requirements that auditors must comply with, over and above those set out in the National Audit Office Code of Audit Practice (the Code) and in legislation and covers matters of practice and procedure which are of a recurring nature.

This report is made solely to the Audit and Governance Committee and management of Royal Berkshire Fire and Rescue Service. Our work has been undertaken so that we might state to the Audit and Governance Committee and management of Royal Berkshire Fire and Rescue Service those matters we are required to state to them in this report and for no other purpose. To the fullest extent permitted by law we do not accept or assume responsibility to anyone other than the Audit and Governance Committee and management of Royal Berkshire Fire and Rescue Service for this report or for the opinions we have formed. It should not be provided to any third-party without our prior written consent.

01 Executive Summary

Executive Summary – System wide and local context

Context for the audit – Department for Levelling-up, Housing and Communities (DLUHC) and Financial Reporting Council (FRC) measures to address local audit delays

Timely, high-quality financial reporting and audit of local bodies is a vital part of our democratic system. It supports good decision making by local bodies and ensures transparency and accountability to local taxpayers. There is general agreement that the backlog in the publication of audited financial statements by local bodies has grown to an unacceptable level and there is a clear recognition that all stakeholders in the sector need to work together to address this. Reasons for the backlog across the system have been widely reported and include:

- Lack of capacity within the local authority financial accounting professions
- Increased complexity of reporting requirements within the sector
- Lack of capacity within audit firms with public sector experience
- Increased regulatory pressure on auditors, which in turn has increased the scope and extent of audit procedures performed

DLUHC has worked collaboratively with the FRC, as incoming shadow system leader, and other system partners, to develop and implement measures to clear the backlog. Statutory Instrument (2024) No. 907 - "The Accounts and Audit (Amendment) Regulations 2024" (the SI), together with the updated NAO Code of Audit Practice 2024 and the Local Authority Reset and Recovery Implementation Guidance, which have all been developed to ensure auditor compliance with International Standards on Auditing (UK) (ISAs (UK)), consist of three phases:

- ▶ Phase 1: Reset involving clearing the backlog of historic audit opinions up to and including financial year 2022/23 by 13 December 2024.
- ▶ Phase 2: Recovery from Phase 1 in a way that does not cause a recurrence of the backlog by using backstop dates to allow assurance to be rebuilt over multiple audit cycles.
- ▶ Phase 3: Reform involving addressing systemic challenges in the local audit system and embedding timely financial reporting and audit.

As a result of the system wide implementation of backstop dates we anticipate issuing a disclaimed audit opinion on the Authority's 2022/23 accounts. The proposed disclaimer of the Council's 2022/23 accounts impacts the audit procedures that we have planned and undertaken to gain assurance on the 2022/23 financial statements and the form of the audit report.

Executive Summary – Local context

Local Background and Context

The position at this Authority has developed over recent years resulting in unaudited financial statements for 31 March 2022 and 31 March 2023.

The main reasons for the Authority's financial statements not being prepared, audited and signed to date include:

- ▶ The post pandemic timelines resulted in audit teams trying to move delayed audits on to completion, whilst finance teams were trying to catch up, deal with current priorities and plan for the future. This used a significant amount of our finite audit resource, leading to a lack of capacity to move onto subsequent audit years.
- ▶ In addition, there were a number of new technical issues and challenges to address during this period, including, accounting for property, plant and equipment, taking into account the updated pension fund valuations and obtaining assurances from the Berkshire pension scheme auditors, which led to delays to the prior year 2020/21 audit being completed. The 20/21 audit was therefore only concluded in October 2023.
- ▶ The Authority has been in a position to present draft statements of account for audit within the regulatory timeframe in recent years.
- ▶ We had commenced our planning procedures for the 21/22 audit. However, as a result of discussions with officers in late 2023, with acknowledgement of the wider reset proposals to move to the most recent year of audit (which at that point was 23/24) we concluded it was not practical to schedule the 2021/22 or 2022/23 audits. Therefore, for the reasons listed above we did therefore not have the audit resource necessary to perform the 2021/22 and 2022/23 audit for the Authority before the back stop date.

Executive Summary – Report structure and work completed

Report structure and work completed

This report covers the work we have completed to meet the requirements of the International Standards on Auditing (UK&I), (ISAs) and the Local Audit Reset and Recovery Implementation Guidance (LARRIGs) along with the National Audit Office Value for Money Code (NAO VFM Code). It has been split into the following sections.

Section 1 – Executive Summary – this section setting out the national and local context and the structure of our report.

Section 2 – Work Plan – We have completed the following planning tasks:

- ▶ Required independence procedures.
- ▶ Set a level of materiality.
- ▶ Issued letters of inquiry to Management, Those Charged with Governance, the Head of Internal Audit and the Monitoring Officer.
- ▶ Updated our understanding of the business, including through review of responses to inquiry letters, minute review and in discussion in our internal planning meeting,
- ▶ Identified significant, inherent and other areas of higher risk or focus.
- ▶ Considered any other matters that may require reporting to regulators or which may result in a modification to the audit report e.g. non-compliance with laws and regulations, objections, significant weaknesses in arrangements for value for money, any matters that may result in the use of the auditor's powers.

Section 3 – Results and findings - Work completed to issue the disclaimer, findings and results:

- ▶ Review of the financial statements.
- ▶ Consideration of any matters that came to light during our planning and review procedures in relation to laws and regulations, fraud, related parties, litigation and claims, significant changes to contracts and systems, service organisations, which we report as appropriate.
- ▶ Reporting on any other matters that may require the use of the auditor's powers, formal reporting or a modification to the auditor's report e.g. non-compliance with laws and regulations, objections, significant weaknesses in arrangements for value for money, any matters that may result in the use of the auditor's powers.

Section 4 – Value for money reporting

- ▶ The value for money report covering the years to 31 March 2022 and 31 March 2023.

Section 5 - Appendices

02 Work Plan

Work Plan – Audit Scope

Audit scope

This Completion report covers the work that we performed in relation to:

- ▶ Our audit opinion on whether the financial statements of the Council give a true and fair view of the financial position as at 31 March 2022; 31 March 2023 and of the income and expenditure for the year then ended; and
- ▶ Our commentary on your arrangements to secure value for money in your use of resources for the relevant period. We include further details on VFM in Section 4.

We will also review and report to the National Audit Office (NAO), to the extent and in the form required by them, on the Council's Whole of Government Accounts return.

Our audit will also include the mandatory procedures that we are required to perform in accordance with applicable laws and auditing standards.

When planning the audit we take into account several key inputs:

- ▶ Strategic, operational and financial risks relevant to the financial statements;
- ▶ Developments in financial reporting and auditing standards;
- ▶ The quality of systems and processes;
- ▶ Changes in the business and regulatory environment; and,
- ▶ Management's views on all of the above.

Given that Statutory Instrument (2024) No. 907 - The Accounts and Audit (Amendment) Regulations 2024 imposes a backstop date of the 13 December 2024 by which date we are required to issue our opinion on the financial statements, we have considered whether the time constraints imposed by the backstop date mean that we cannot complete all necessary procedures to obtain sufficient, appropriate audit evidence to support the opinion and fulfil all the objectives of all relevant ISAs (UK).

This decision is in line with ISA 200: Failure to Achieve an Objective 24.

If an objective in a relevant ISA (UK) cannot be achieved, the auditor shall evaluate whether this prevents the auditor from achieving the overall objectives of the auditor and thereby requires the auditor, in accordance with the ISAs (UK), to modify the auditor's opinion or withdraw from the engagement (where withdrawal is possible under applicable law or regulation). Failure to achieve an objective represents a significant matter requiring documentation in accordance with ISA (UK) 230 (Revised June 2016).4 (Ref: Para. A77&A78)

Taking the above into account, for the years ended 31 March 2022; 31 March 2023 we have determined that we cannot meet the objectives of the ISAs(UK) and we anticipate issuing a disclaimed audit report.

Work Plan - Materiality

Materiality

Planning materiality

£1.24m

Materiality for y/e 31 March 2022 has been set at £1.24m, which represents 2% of 2022 gross expenditure on provision of services.

£1.18m

Materiality for y/e 31 March 2023 has been set at £1.18m, which represents 2% of 2023 gross expenditure on provision of services.

Performance materiality

£0.93m

Performance materiality for y/e 31 March 2022 has been set at £0.93m, which represents 75% of planning materiality.

£0.88m

Performance materiality for y/e 31 March 2023 has been set at £0.88m, which represents 75% of planning materiality.

Audit differences

£62k

We will report all uncorrected misstatements relating to the primary statements greater than £62k for y/e 31 March 2022; £59k for y/e 31 March 2023. Other misstatements identified will be communicated to the extent that they merit the attention of the Audit and Governance Committee.

£59k

Work Plan – Significant, inherent and other risk areas

The following ‘dashboard’ summarises the significant accounting and auditing matters identified as part of our planning work. It seeks to provide Those Charged with Governance with an overview of our initial risk identification for the years.

Audit risks and areas of focus

Risk/area of focus	Applicable years	Risk identified	Change from PY	Details
Valuation of land and buildings	All years covered by this report	Significant risk	Increase in risk or focus	<p>Property, Plant and Equipment (PPE) represents significant balances in the Authority’s accounts and is subject to valuation changes, impairment reviews and depreciation charges.</p> <p>Material judgemental inputs and estimation techniques are required to calculate the year-end PPE balances held in the balance sheet. As the Authority’s asset base is significant, and the outputs from the valuer are subject to estimation, there is a higher inherent risk assets may be under/overstated or the associated accounting entries incorrectly posted.</p> <p>This represents an increase in focus from prior year (20/21) where audit differences were identified in the valuations.</p>
Misstatement due to fraud or error	All years covered by this report	Fraud risk	No change in risk or focus	<p>There is a risk that the financial statements as a whole are not free from material misstatement whether caused by fraud or error. We perform mandatory procedures regardless of specifically identified fraud risks.</p>
Risk of fraud in revenue and expenditure recognition, through inappropriate capitalisation of revenue expenditure	All years covered by this report	Fraud Risk	No change in risk or focus	<p>Under ISA 240 there is a presumed risk that revenue may be misstated due to improper revenue recognition. In the public sector, this requirement is modified by Practice Note 10 issued by the Financial Reporting Council, which states that auditors should also consider the risk that material misstatements may occur by the manipulation of expenditure recognition.</p> <p>We have assessed the risk is most likely to occur through the inappropriate capitalisation of revenue expenditure.</p>
Pension Liability Valuation	All years covered by this report	Inherent risk	Decrease in risk or focus	<p>The Local Authority Accounting Code of Practice and IAS19 require the Authority to make extensive disclosures within its financial statements regarding its membership of the Local Government Pension Scheme.</p> <p>Accounting for this scheme involves significant estimation and judgement and therefore management engages an actuary to undertake the calculations on their behalf. ISAs (UK) 500 and 540 require us to undertake procedures on the use of management experts and the assumptions underlying fair value estimates.</p> <p>This represents a decrease in focus from prior year (20/21) where there was a higher risk due to the potential uncertainty on asset values as a result of the pandemic.</p>

Work Plan - Independence

The FRC Ethical Standard 2019 and ISA (UK) 260 'Communication of audit matters with those charged with governance', requires us to communicate with you on a timely basis on all significant facts and matters that bear upon our integrity, objectivity and independence. The Ethical Standard, as revised in December 2019, requires that we communicate formally both at the planning stage and at the conclusion of the audit, as well as during the course of the audit if appropriate. The aim of these communications is to ensure full and fair disclosure by us to those charged with your governance on matters in which you have an interest.

Required communications

Planning stage

- ▶ The principal threats, if any, to objectivity and independence identified by Ernst & Young (EY) including consideration of all relationships between you, your affiliates and directors and us;
- ▶ The safeguards adopted and the reasons why they are considered to be effective, including any Engagement Quality review;
- ▶ The overall assessment of threats and safeguards;
- ▶ Information about the general policies and process within EY to maintain objectivity and independence

Final stage

- ▶ In order for you to assess the integrity, objectivity and independence of the firm and each covered person, we are required to provide a written disclosure of relationships (including the provision of non-audit services) that may bear on our integrity, objectivity and independence. This is required to have regard to relationships with the entity, its directors and senior management, its affiliates, and its connected parties and the threats to integrity or objectivity, including those that could compromise independence that these create. We are also required to disclose any safeguards that we have put in place and why they address such threats, together with any other information necessary to enable our objectivity and independence to be assessed;
- ▶ Details of non-audit/additional services provided and the fees charged in relation thereto;
- ▶ Written confirmation that the firm and each covered person is independent and, if applicable, that any non-EY firms used in the group audit or external experts used have confirmed their independence to us;
- ▶ Details of any non-audit/additional services to a UK PIE audit client where there are differences of professional opinion concerning the engagement between the Ethics Partner and Engagement Partner and where the final conclusion differs from the professional opinion of the Ethics Partner
- ▶ Details of any inconsistencies between FRC Ethical Standard and your policy for the supply of non-audit services by EY and any apparent breach of that policy;
- ▶ Details of all breaches of the IESBA Code of Ethics, the FRC Ethical Standard and professional standards, and of any safeguards applied and actions taken by EY to address any threats to independence; and
- ▶ An opportunity to discuss auditor independence issues.

In addition, during the course of the audit, we are required to communicate with you whenever any significant judgements are made about threats to objectivity and independence and the appropriateness of safeguards put in place, for example, when accepting an engagement to provide non-audit services.

We ensure that the total amount of fees that EY and our network firms have charged to you and your affiliates for the provision of services during the reporting period, analysed in appropriate categories, are disclosed.

Work Plan - Independence

We highlight the following significant facts and matters that may be reasonably considered to bear upon our objectivity and independence, including the principal threats, if any. We have adopted the safeguards noted below to mitigate these threats along with the reasons why they are considered to be effective. However we will only perform non-audit services if the service has been pre-approved in accordance with your policy.

Overall Assessment

Overall, we consider that the safeguards that have been adopted appropriately mitigate the principal threats identified and we therefore confirm that EY is independent and the objectivity and independence of Andrew Brittain, your audit engagement partner and the audit engagement team have not been compromised.

Self interest threats

A self interest threat arises when EY has financial or other interests in your entity. Examples include where we have an investment in your company; where we receive significant fees in respect of non-audit services; where we need to recover long outstanding fees; or where we enter into a business relationship with you. At the time of writing, there are no long outstanding fees.

We believe that it is appropriate for us to undertake those permitted non-audit/additional services set out in Section 5.40 of the FRC Ethical Standard 2019 (FRC ES), and we will comply with the policies that you have approved.

None of the services are prohibited under the FRC's ES and the services have been approved in accordance with your policy on pre-approval. In addition, when the ratio of non-audit fees to audit fees exceeds 1:1, we are required to discuss this with our Ethics Partner, as set out by the FRC ES, and if necessary agree additional safeguards or not accept the non-audit engagement. We will also discuss this with you.

At the time of writing, there are no non-audit fees. No additional safeguards are required.

A self interest threat may also arise if members of our audit engagement team have objectives or are rewarded in relation to sales of non-audit services to you. We confirm that no member of our audit engagement team, including those from other service lines, has objectives or is rewarded in relation to sales to you, in compliance with Ethical Standard part 4. There are no other self interest threats at the date of this report.

Self review threats

Self review threats arise when the results of a non-audit service performed by EY or others within the EY network are reflected in the amounts included or disclosed in the financial statements.

There are no self review threats at the date of this report.

Management threats

Partners and employees of EY are prohibited from taking decisions on behalf of management of your company. Management threats may also arise during the provision of a non-audit service in relation to which management is required to make judgements or decision based on that work.

There are no management threats at the date of this report.

Other threats

Other threats, such as advocacy, familiarity or intimidation, may arise.

There are no other threats at the date of this report.

03 Results and findings

Results and findings

Status of the audit

Our audit work in respect of the Authority opinion is substantially complete. The following items relating to the completion of our audit procedures were outstanding at the date of this report:

- ▶ Completion of subsequent events procedures;
- ▶ Receipt of a signed management representation letter

Given that the audit process is still ongoing, we will continue to consider existing and new information which could influence our final audit opinion, a current draft of which is included later in this section.

Value for Money

Our value for money (VFM) work is complete and reported in Section 4 of this report. We had identified no risks of significant weaknesses in arrangements. Having updated and completed the planned procedures in these areas we did not identify a significant weakness. See Section 4 of the report for further details.

Audit differences

We identified no audit differences.

Other Reporting Issues

We have reviewed the information presented in the Annual Governance Statement for consistency with our knowledge of the Authority. We have no matters to report as a result of this work.

The Comptroller and Auditor General has confirmed that he plans to issue his opinion and certificate on the 2022-23 Whole of Government Accounts on 22 November 2024. Given we expect to issue our 2022/23 audit report after that date but before the statutory backstop of 13 December 2024, we therefore expect to be able to certify completion of the audit as part of our final 2022/23 audit report

Other powers and duties

We have a duty under the Local Audit and Accountability Act 2014 to consider whether to report on any matter that comes to our attention in the course of the audit, either for the Authority to consider it or to bring it to the attention of the public (i.e. "a report in the public interest"). We did not identify any issues which required us to issue a report in the public interest.

Results and findings

Areas of audit focus

In our Audit Plan we identified a number of key areas of focus for our audit of the financial report of Royal Berkshire Fire and Rescue Service. We concluded we would disclaim the audit and therefore have not completed detailed audit testing on these areas but instead have reported any matters that came to light from the work we did complete.

We request that you review these and other matters set out in this report to ensure:

- ▶ There are no further considerations or matters that could impact these issues
- ▶ You concur with the resolution of the issue
- ▶ There are no further significant issues you are aware of to be considered before the financial report is finalised

There are no matters, other than those reported by management or disclosed in this report, which we believe should be brought to the attention of the Audit and Governance Committee or Board of Directors.

Control observations

During the audit, we did not identify any significant deficiencies in internal control

Independence

Further to our review of independence in section 2 of this report we have not identified any issues to bring to your attention..

Results and findings

Other matters

As required by ISA (UK&I) 260 and other ISAs specifying communication requirements, we must tell you significant findings from the audit and other matters if they are significant to your oversight of the Authority's financial reporting process. They include the following:

- ▶ Significant qualitative aspects of accounting practices including accounting policies, accounting estimates and financial statement disclosures;
- ▶ Any significant difficulties encountered during the audit;
- ▶ Any significant matters arising from the audit that were discussed with management;
- ▶ Written representations we have requested;
- ▶ Expected modifications to the audit report;
- ▶ Any other matters significant to overseeing the financial reporting process;
- ▶ Findings and issues around the opening balance on initial audits (if applicable);
- ▶ Related parties;
- ▶ External confirmations;
- ▶ Going concern;
- ▶ Consideration of laws and regulations; and
- ▶ Group audits

We have no other matters to report.

Our opinion on the financial statements
22/23

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF ROYAL BERKSHIRE FIRE AUTHORITY

Disclaimer of opinion

We were engaged to audit the financial statements and the firefighters' pension fund financial statements of Royal Berkshire Fire Authority ('the Authority') for the year ended 31 March 2023. The financial statements comprise the:

- Movement in Reserves Statement,
- Comprehensive Income and Expenditure Statement,
- Balance Sheet,
- Cash Flow Statement
- the related notes 8.1 to 8.38 including a summary of significant accounting policies
- and include the firefighters' pension fund financial statements comprising the Fund Account and the Net Assets Statement

The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2022/23 as amended by the Update to the Code and Specifications for Future Codes for Infrastructure Assets (November 2022).

We do not express an opinion on the accompanying financial statements of the Authority. Because of the significance of the matter described in the basis for disclaimer of opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

Basis for disclaimer of opinion

The Accounts and Audit (Amendment) Regulations 2024 (Statutory Instrument 2024/907) which came into force on 30 September 2024 requires the accountability statements for this financial year to be approved not later than 13th December 2024.

The audit of the 2021/22 financial statements for Royal Berkshire Fire Authority was not completed for the reasons set out in our opinion on those financial statements dated xxxx. As a result of the delays to the previous year's audit together with the wider requirements of the local audit system reset, we did not have the required resources available to complete the detailed audit procedures that would be needed to obtain sufficient appropriate audit evidence to issue an unmodified audit report on the 2022/23 financial statements before the 13 December 2024 backstop date.

Therefore, we are disclaiming our opinion on the financial statements.

Results and findings - Audit Report (cont'd)

Our opinion on the financial statements

Matters on which we report by exception

Notwithstanding our disclaimer of opinion on the financial statements, performed subject to the pervasive limitation described above, we have nothing to report in respect of whether the annual governance statement is misleading or inconsistent with other information forthcoming from the audit or our knowledge of the Authority.

We report to you if:

- we issue a report in the public interest under section 24 of the Local Audit and Accountability Act 2014 (as amended)
- we make written recommendations to the audited body under Section 24 of the Local Audit and Accountability Act 2014 (as amended)
- we make an application to the court for a declaration that an item of account is contrary to law under Section 28 of the Local Audit and Accountability Act 2014 (as amended)
- we issue an advisory notice under Section 29 of the Local Audit and Accountability Act 2014 (as amended)
 - we make an application for judicial review under Section 31 of the Local Audit and Accountability Act 2014 (as amended)
- we are not satisfied that the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2023.

We have nothing to report in these respects.

Responsibility of the Chief Financial Officer

As explained more fully in the Statement of Responsibilities set out on page 12, the Chief Financial Officer is responsible for the preparation of the Statement of Accounts, which includes the Authority financial statements and the firefighters pension fund financial statements, in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2022/23 as amended by the Update to the Code and Specifications for Future Codes for Infrastructure Assets (November 2022), and for being satisfied that they give a true and fair view and for such internal control as the Chief Financial Officer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Chief Financial Officer is responsible for assessing the Authority's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Authority either intends to cease operations, or has no realistic alternative but to do so.

The Authority is responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources, to ensure proper stewardship and governance, and to review regularly the adequacy and effectiveness of these arrangements.

Results and findings - Audit Report (cont'd)

Our opinion on the financial statements

Auditor's responsibilities for the audit of the financial statements

Our responsibility is to conduct an audit of the Authority's financial statements in accordance with International Standards on Auditing (UK) and to issue an auditor's report.

However, because of the matter described in the basis for disclaimer of opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are independent of the Authority in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard and the Code of Audit Practice 2024 and we have fulfilled our other ethical responsibilities in accordance with these requirements.

Scope of the review of arrangements for securing economy, efficiency and effectiveness in the use of resources

We have undertaken our review in accordance with the Code of Audit Practice 2024, having regard to the guidance on the specified reporting criteria issued by the Comptroller and Auditor General in November 2024, as to whether Royal Berkshire Fire Authority had proper arrangements for financial sustainability, governance and improving economy, efficiency and effectiveness. The Comptroller and Auditor General determined these criteria as those necessary for us to consider under the Code of Audit Practice in satisfying ourselves whether Royal Berkshire Fire Authority put in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2023.

We planned our work in accordance with the Code of Audit Practice. Based on our risk assessment, we undertook such work as we considered necessary to form a view on whether, in all significant respects, Royal Berkshire Fire Authority had put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources.

We are required under Section 20(1)(c) of the Local Audit and Accountability Act 2014 (as amended) to satisfy ourselves that the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources.

We are not required to consider, nor have we considered, whether all aspects of the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources are operating effectively.

Certificate

We certify that we have completed the audit of the accounts of Royal Berkshire Fire Authority in accordance with the requirements of the Local Audit and Accountability Act 2014 (as amended) and the Code of Audit Practice issued by the National Audit Office.

Our opinion on the financial statements

Use of our report

This report is made solely to the members of Royal Berkshire Fire Authority, as a body, in accordance with Part 5 of the Local Audit and Accountability Act 2014 (as amended) and for no other purpose, as set out in paragraph 43 of the Statement of Responsibilities of Auditors and Audited Bodies published by Public Sector Audit Appointments Limited. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Authority and the Authority's members as a body, for our audit work, for this report, or for the opinions we have formed.

The following footnote does not form part of our Auditor's Report.

Additional information related to the disclaimer of opinion is set out in our Completion Report for Those Charged with Governance dated xxxx, available on the Authority's website, which includes further explanations about the implementation of the statutory instrument which led to the disclaimer of our opinion on the financial statements.

Results and findings - Audit Report for 2021/22

Draft audit report

Our opinion on the financial statements
21/22

Our opinion on the financial statements for 21/22 is identical to the above except for the following:

- Where we reference 2022/23 in the above report, we have amended for 2021/22 in the 2021/22 opinion.
- Basis for disclaimer of opinion

The Accounts and Audit (Amendment) Regulations 2024 (Statutory Instrument 2024/907) which came into force on 30 September 2024 requires the accountability statements for this financial year to be approved not later than 13 December 2024.

We completed the audit of the 2020/21 financial statements and issued our audit opinion on 31 October 2023.

The backstop date and the wider requirements of the local audit system reset, meant we did not have the required resources available to complete the detailed audit procedures that would be needed to obtain sufficient appropriate audit evidence to issue an unmodified audit report on the 2021/22 financial statements. Therefore, we are disclaiming our opinion on the financial statements.

04 Value for Money

Executive Summary

Purpose

Auditors are required to be satisfied that the Fire Authority has made proper arrangements for securing economy, efficiency and effectiveness in their use of resources. We do not issue a 'conclusion' or 'opinion', but where significant weaknesses are identified we will report by exception in the auditor's opinion on the financial statements. In addition, auditors provide an annual commentary on arrangements published as part of the Auditor's Annual Report to comply with the requirements of the 2020 Code of Audit Practice (updated for 2024) and Auditor Guidance Note 3 (AGN 03). For 2022/23, the annual commentary is included in this report.

The 2024 Code has reduced the scope of the VFM reporting up to and including the 2022/23 financial year. However, in the February 2024 consultation on the new Code, the NAO stated that where auditors have begun or already undertaken work that no longer falls under the reduced scope, they may still report on it in accordance with paragraph 13 of Schedule 3 of the 2024 Code. EY are continuing to report VFM in line with our existing responsibilities as set out in the 2020 Code to ensure a smooth transition to the 2023/24 audit year when auditors are required to meet the full Code reporting responsibilities.

Risks of Significant Weakness

In undertaking our procedures to understand the body's arrangements against the specified reporting criteria, we identify whether there are risks of significant weakness which require us to complete additional risk-based procedures. AGN 03 sets out considerations for auditors in completing and documenting their work and includes consideration of:

- our cumulative audit knowledge and experience as your auditor;
- reports from internal audit which may provide an indication of arrangements that are not operating effectively;
- our review of the Fire Authority's committee reports;
- meetings with key officers;
- information from external sources; and
- evaluation of associated documentation through our regular engagement with the Fire Authority's management and the finance team.

We completed our risk assessment procedures and did not identify any significant weaknesses in the Fire Authority's VFM arrangements.

As a result, we have no matters to report by exception.

Executive Summary (continued)

Reporting

Our commentary for 2021/22 and 2022/23 is set out over pages 27 to 29. The commentary on these pages summarises our understanding of the arrangements at the Fire Authority based on our evaluation of the evidence obtained in relation to the three reporting criteria (see table below) throughout 2021/22 and 2022/23.

The detailed arrangements and processes underpinning the reporting criteria were reported in our 2020/21 Auditor's Annual Report and have been updated for 2021/22 and 2022/23 in our Value for Money Interim report.

In accordance with the NAO's 2020 Code (updated for 2024), we are required to report a commentary against the three specified reporting criteria. The table below sets out the three reporting criteria, whether we identified a risk of significant weakness as part of our planning procedures, and whether, at the time of this interim report, we have concluded that there is a significant weakness in the body's arrangements.

Reporting Criteria	Risks of significant weaknesses in arrangements identified?	Actual significant weaknesses in arrangements identified?
Financial sustainability: How the Fire Authority plans and manages its resources to ensure it can continue to deliver its services	No significant risks identified	No significant weakness identified
Governance: How the Fire Authority ensures that it makes informed decisions and properly manages its risks	No significant risks identified	No significant weakness identified
Improving economy, efficiency and effectiveness: How the Fire Authority uses information about its costs and performance to improve the way it manages and delivers its services	No significant risks identified	No significant weakness identified

Value for Money Commentary

Financial Sustainability: How the Fire Authority plans and manages its resources to ensure it can continue to deliver its services

No significant weakness identified

The Fire Authority is required to have arrangements to ensure proper resource management and the primary responsibility for these arrangements and reporting on the design and operation of these arrangements via the annual governance statement rests with management.

Budget monitoring is done on a quarterly basis to identify and address short term financial pressures. It involves identifying variances, pressures and risks while taking prompt action to prevent budget pressures or to bring pressures that have arisen back under control by identifying savings and income opportunities.

The Fire Authority has a robust process that continually reviews local and national financial pressures and responds to these accordingly. Regular meetings are held with heads of services, the Senior Leadership Team and with members. Any significant financial pressures to deliver the Plan are raised and mitigated with identified savings, or, if an earmarked or risk reserve exists, then a draw from reserves may be considered in accordance with financial regulations, which is then reported in the quarterly monitoring reports. Future year pressures are considered as part of the Medium Term Financial Plan ('MTFP') and reported as part of the budget setting process. This may lead to budget adjustments in some service areas or a risk reserve review.

The Authority has contingency plans to balance the budget should funding decrease as well as ongoing projects to deliver efficiencies. The contingency plans include use of budget contingency reserve / other reserves as deemed appropriate. Scenario planning exercises look at a range of potential options available, dependent on the severity of the funding deficit.

BFRA's strategic documents are developed in line with the Authority's Medium Term Financial Plan. Capital plans and investments plans are presented to Members as part of the budget setting papers that include the MTFP. The consistency of these with the financial plan, is therefore picked up as part of the preparation and sign-off of these papers prior to publication. Workforce, operational planning and effectively any other decision-making process will require a supporting paper for approval to be presented at either Senior Leadership Team or the appropriate Member committee.

Financial resilience is managed through the Corporate Risk Register which is reviewed monthly by SLT. Scenario planning work is completed with Directors / wider SLT colleagues when applicable. The service has identified and assessed a range of fire and rescue-related risks to its communities. It has used a range of information and consulted widely, to produce a comprehensive community risk management plan (CRMP), formerly known as its integrated risk management plan (IRMP).

Conclusion: Based on the work performed, the Fire Authority had proper arrangements in place in 2022/23 and 2021/22 to enable it to plan and manage its resources to ensure that it can continue to deliver its services

Value for Money Commentary (continued)

Governance: How the Fire Authority ensures that it makes informed decisions and properly manages its risks

No significant weakness identified

The Fire Authority published their draft 2021/22 financial statements for audit on 29th July 2022 and their draft 2022/23 financial statements on 31 May 2023. Both publishing dates are in line with the Accounts and Audit regulations and the relevant amendments. The Fire Authority advertised and held inspection periods for members of the public in line with these regulations. We validated that the 2022/23 and 2021/22 draft financial statements were arithmetically correct, agreed to the data in the general ledger, and prepared in line with the content required by the CIPFA Code. The Authority has carried out bank reconciliations during the year. Therefore, based on these procedures appropriate arrangements for financial reporting were in place during 2022/23 and 2021/22.

The Fire Authority produces an Annual Governance Statement ('AGS') each year which sets out the governance roles and responsibilities and follows the adopted Local Code of Corporate Governance, which is reviewed and published annually. The Fire Authority is committed to openness and transparency. We noted that RBFRA received a partial response for IT General Controls (ITCG's) in 22/23 but have not mentioned this in the draft AGS currently available on the website – we have enquired with Conor Byrne (Head of Finance) as to the reason, which is that the IT audit opinion was issued after the draft AGS was published and that this will be updated when it comes to Committee for final approval.

During our 2020/21 audit, we identified and reported within our Audit Results Report a number of adjusted and unadjusted errors across the financial statements. We considered whether this represents a risk of significant weakness in the proper arrangements to ensure there are proper processes in place to have relevant, accurate and timely information to support statutory financial reporting requirements. The Authority accepted that improvements were needed in those areas and this was reported to the Audit & Governance Committee. We did not consider those findings to indicate a weakness in the proper arrangements at the Authority.

The Fire Authority Committee has the primary oversight of key decision making within the Fire Authority with some responsibilities delegated to the Audit and Governance Committee and Management Committee. The Fire Authority recognises the need to identify and understand its key business risks and is committed to ensuring that appropriate arrangements are in place to enable informed risk decision taking, recognising that effective risk management seeks to optimise the balance between risk and reward. An important part of the Fire Authority's decision making process is to ensure that risks are identified. The Fire Authority has a range of monitoring controls in place including regular reviews of effectiveness of internal controls to prevent and detect fraud through the Internal Audit Function. This is done on an annual basis through an annual internal audit report. In addition, quarterly internal audit progress reports are presented and discussed at the Audit and Governance Committees taking place during the year.

Conclusion: Based on the work performed, the Authority had proper arrangements in place in 2022/23 and 2021/22 to make informed decisions and properly manage its risks.

Value for Money Commentary (continued)

Improving economy, efficiency and effectiveness: How the Fire Authority uses information about its costs and performance to improve the way it manages and delivers its services

No significant weakness identified

The Fire Authority has appropriate arrangements in place in relation to how the Fire Authority uses information about its costs and performance to improve the way it manages and delivers its services.

Performance monitoring is undertaken to understand if and how priorities identified in the Corporate Plan are being achieved with the desired outcomes. The Fire Authority has robust processes that continually review, collect data and report financial and non-financial performance to various committees.

Reviews of budget monitoring information identifies areas for improvement. All proposed activities and projects outside of normal business are scrutinised from a value for money perspective.

The HMICFRS reports provide an assessment of the Authority at a given point in time. Following the inspection in 2018/19, a second inspection commenced in June 2022 and the Authority received an overall good rating. The Authority utilised the report from the first inspection to identify areas for improvement and to contribute towards the wider development of the Authority's plans.

All procurement is conducted in line with the Authority's recently revised Contract Regulations which in turn ensure compliance with relevant legislation. A record of procurement savings is maintained to track expected benefits. These Contract Regulations (known as the Rules) are made under Section 101 of the Local Government Act 1972 and approved by Royal Berkshire Fire Authority ("the Authority") to facilitate efficient and transparent decision making.

Conclusion: Based on the work performed, the Authority had proper arrangements in place in 2022/23 and 2021/22 to use information about its costs and performance to improve the way it manages and delivers its services.

Appendix A – Management representation letter

Management representation letter

This is the draft management letter template which Management will tailor and send back signed and dated prior to the opinion being issued.

Management Rep Letter

[To be prepared on the entity's letterhead]

[Date]

Ernst & Young

This letter of representations is provided in connection with your audit of the [consolidated and parent] Authority financial statements of [name of entity] ("the [Group and] authority") for the year ended [balance sheet date]. We recognise that obtaining representations from us concerning the information contained in this letter is a significant procedure in enabling you to form an opinion as to whether the consolidated and parent Authority financial statements give a true and fair view of (or 'present fairly, in all material respects,') the [Group and] authority financial position of [name of entity] as of [balance sheet date] and of its financial performance (or operations) and its cash flows for the year then ended in accordance with, for the [Group and] the Authority, CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 20xx/xx (as amended by the Update to the Code and Specifications for Future Codes for Infrastructure Assets (November 2022)).

We understand that the purpose of your audit of our [consolidated and parent] Authority financial statements is to express an opinion thereon and that your audit was conducted in accordance with International Standards on Auditing (UK), which involves an examination of the accounting system, internal control and related data to the extent you considered necessary in the circumstances, and is not designed to identify - nor necessarily be expected to disclose - all fraud, shortages, errors and other irregularities, should any exist. Accordingly, we make the following representations, which are true to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves:

A. Financial Statements and Financial Records

1. We have fulfilled our responsibilities, under the relevant statutory authorities, for the preparation of the financial statements in accordance with, for the [Group and the parent] Authority, the Accounts and Audit Regulations 2015 and the CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 20xx/xx (as amended by the Update to the Code and Specifications for Future Codes for Infrastructure Assets (November 2022)).
2. We acknowledge, as members of management of the [Group and] authority, our responsibility for the fair presentation of the consolidated and parent Authority financial statements. We believe the [consolidated and parent] Authority financial statements referred to above give a true and fair view of the financial position, financial performance (or results of operations) and cash flows of the [Group and parent] Authority in accordance with the CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 20xx/xx (as amended by the Update to the Code and Specifications for Future Codes for Infrastructure Assets (November 2022)), and are free of material misstatements, including omissions. We have approved the financial statements.
3. The significant accounting policies adopted in the preparation of the [Group and] authority financial statements are appropriately described in the [Group and] authority financial statements.
4. As members of management of the [Group and] authority, we believe that the [Group and] authority have a system of internal controls adequate to enable the preparation of accurate financial statements in accordance with [applicable financial reporting framework] for the Group and [applicable financial reporting framework] for the Authority that are free from material misstatement, whether due to fraud or error.

Management Rep Letter

5. *[When there are unadjusted audit differences in the current year]* We believe that the effects of any unadjusted audit differences, summarised in the accompanying schedule, accumulated by you during the current audit and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the consolidated and parent Authority financial statements taken as a whole. We have not corrected these differences because *[specify reasons for not correcting misstatement]*.
6. *[When the comparative figures have been restated]* The comparative amounts have been restated to reflect the below matter(s) and appropriate note disclosure of this (these) restatement(s) has (have) also been included in the current year's consolidated and parent Authority financial statements. *[Add a paragraph providing a brief description of each matter giving rise to a restatement and the amount(s) concerned.]* There have been no significant errors or misstatements, or changes in accounting policies, other than the matters described above, that would require a restatement of the comparative amounts in the current year's consolidated and parent Authority financial statements. Other differences in the amounts shown as comparative amounts from the amounts in the consolidated and parent Authority financial statements for the year ended *[date]* are solely the result of reclassifications for comparative purposes.
7. We confirm the *[Group and]* authority does not have securities (debt or equity) listed on a recognized exchange.
8. We have confirmed to you any changes in service organizations within the *[Group and]* authority since the last audited financial year.

B. Non-compliance with laws and regulations, including fraud

1. We acknowledge that we are responsible to determine that the *[Group and]* authority's business activities are conducted in accordance with laws and regulations and that we are responsible to identify and address any non-compliance with applicable laws or regulations, including fraud.
2. We acknowledge that we are responsible for the design, implementation and maintenance of a system of internal control to prevent and detect fraud and that we believe we have appropriately fulfilled those responsibilities.
3. We have disclosed to you the results of our assessment of the risk that the *[consolidated and parent]* Authority financial statements may be materially misstated as a result of fraud.
4. *[When management is aware of the occurrence of non-compliance with laws or regulations, or has received allegations of non-compliance with laws and regulations.]* We have disclosed to you, and provided you full access to information and any internal investigations relating to, all instances of identified or suspected non-compliance with laws and regulations, including fraud, known to us that may have affected the *[Group or]* Authority (regardless of the source or form and including, without limitation, allegations by "whistle-blowers"), including non-compliance matters:
 - Involving financial improprieties
 - Related to laws or regulations that have a direct effect on the determination of material amounts and disclosures in the *[consolidated and parent]* Authority financial statements
 - Related to laws or regulations that have an indirect effect on amounts and disclosures in the *[consolidated and parent]* Authority financial statements, but compliance with which may be fundamental to the operations of the *[Group and]* authority's business, its ability to continue in business, or to avoid material penalties

- Involving management, or employees who have significant roles in internal control, or others
- In relation to any allegations of fraud, suspected fraud or other non-compliance with laws and regulations communicated by employees, former employees, analysts, regulators or others.

C. Information Provided and Completeness of Information and Transactions

1. We have provided you with:
 - Access to all information of which we are aware that is relevant to the preparation of the financial statements such as records, documentation and other matters;
 - Additional information that you have requested from us for the purpose of the audit; and
 - Unrestricted access to persons within the entity from whom you determined it necessary to obtain audit evidence.
2. All material transactions have been recorded in the accounting records and are reflected in the [consolidated and parent] Authority financial statements.
3. We have made available to you all minutes of the meetings of shareholders, directors and committees of directors (or summaries of actions of recent meetings for which minutes have not yet been prepared) held through the [period] to the most recent meeting on the following date: [list date].

4. We confirm the completeness of information provided regarding the identification of related parties. We have disclosed to you the identity of the [Group and] authority's related parties and all related party relationships and transactions of which we are aware, including sales, purchases, loans, transfers of assets, liabilities and services, leasing arrangements, guarantees, non-monetary transactions and transactions for no consideration for the period ended, as well as related balances due to or from such parties at the [period] end. These transactions have been appropriately accounted for and disclosed in the [consolidated and parent] Authority financial statements.
5. We believe that the methods, significant assumptions and the data we used in making accounting estimates and related disclosures are appropriate and consistently applied to achieve recognition, measurement and disclosure that is in accordance with [applicable financial reporting framework].
6. We have disclosed to you, and the [Group and] authority has complied with, all aspects of contractual agreements that could have a material effect on the [consolidated and parent] Authority financial statements in the event of non-compliance, including all covenants, conditions or other requirements of all outstanding debt.
7. From the date of our last management representation letter through the date of this letter we have disclosed to you, to the extent that we are aware, any (1) unauthorized access to our information technology systems that either occurred or is reasonably likely to have occurred, including of reports submitted to us by third parties (including regulatory agencies, law enforcement agencies and security consultants), to the extent that such unauthorized access to our information technology systems is reasonably likely to have a material effect on the [consolidated and parent] Authority financial statements, in each case or in the aggregate, and (2) ransomware attacks when we paid or are contemplating paying a ransom, regardless of the amount.

8. We have disclosed to you, and provided you full access to information and any internal investigations relating to, unauthorized access to our information technology systems that has a material effect on the [consolidated and parent] Authority financial statements, including disclosures.

D. Liabilities and Contingencies

1. All liabilities and contingencies, including those associated with guarantees, whether written or oral, have been disclosed to you and are appropriately reflected in the [consolidated and parent] Authority financial statements.
2. We have informed you of all outstanding and possible litigation and claims, whether or not they have been discussed with legal counsel.
3. We have recorded and/or disclosed, as appropriate, all liabilities related to litigation and claims, both actual and contingent, and have disclosed in Note [X] to the consolidated and parent Authority financial statements all guarantees that we have given to third parties.

E. Going Concern

1. Note [X] to the consolidated and parent Authority financial statements discloses all the matters of which we are aware that are relevant to the Group and authority's ability to continue as a going concern, including significant conditions and events, our plans for future action, and the feasibility of those plans.

F. Subsequent Events

1. Other than the events described in Note [X] to the [consolidated and parent] Authority financial statements, there have been no events subsequent to period end which require adjustment of or disclosure in the consolidated and parent Authority financial statements or notes thereto.

G. Group audits

1. There are no significant restrictions on our ability to distribute the retained profits of the Group because of statutory, contractual, exchange control or other restrictions other than those indicated in the Group financial statements.
2. Necessary adjustments have been made to eliminate all material intra-group unrealised profits on transactions amongst parent Authority, subsidiary undertakings and associated undertakings.

H. Other information

1. We acknowledge our responsibility for the preparation of the other information. The other information comprises the information contained within the Narrative Statement and also the Annual Governance Statement.
2. We confirm that the content contained within the other information is consistent with the financial statements.

I. Climate-related matters

1. We confirm that to the best of our knowledge all information that is relevant to the recognition, measurement, presentation and disclosure of climate-related matters has been considered and the [Group and] authority have reflected these in the consolidated and parent financial statements.

Yours faithfully,

(Chief Financial Officer/Finance Director)

(Chairman of the Audit Committee)

Appendix B – Fees

The duty to prescribe fees is a statutory function delegated to Public Sector Audit Appointments Ltd (PSAA) by the Secretary of State for Housing, Communities and Local Government.

This is defined as the fee required by auditors to meet statutory responsibilities under the Local Audit and Accountability Act 2014 in accordance with the requirements of the Code of Audit Practice and supporting guidance published by the National Audit Office, the financial reporting requirements set out in the Code of Practice on Local Authority Accounting published by CIPFA/LASAAC, and the professional standards applicable to auditors' work.

The original fees for these years were based on the following assumptions:

- ▶ Officers meeting the agreed timetable of deliverables;
- ▶ Our accounts opinion and value for money conclusion being unqualified;
- ▶ Appropriate quality of documentation is provided by the Authority; and
- ▶ The Authority has an effective control environment
- ▶ The Authority complies with PSAA's Statement of Responsibilities of auditors and audited bodies. See <https://www.psa.co.uk/managing-audit-quality/statement-of-responsibilities-of-auditors-and-audited-bodies/statement-of-responsibilities-of-auditors-and-audited-bodies-from-2023-24-audits/>. In particular the Authority should have regard to paragraphs 26 - 28 of the Statement of Responsibilities which clearly sets out what is expected of audited bodies in preparing their financial statements.

Due to the reset, the above clearly will not be achieved and we will be liaising with PSAA Ltd to discuss and agree fees.

	22/23 final	22/23 Scale fee	21/22 final	21/22 Scale fee	20/21 final
	£	£	£	£	£
Total Fee – Code Work	tbc	33,305	tbc	26,180	66,234
Total audit	tbc	33,305	tbc	26,180	66,234
Other non-audit services not covered above	0	N/A	0	N/A	0
Total other non-audit services	0	N/A	0	N/A	0
Total fees	tbc	33,305	tbc	26,180	66,234

All fees exclude VAT

Note 1 - PSAA Ltd, in line with the joint statement issued DLUHC (as at that date) and the FRC is responsible for the determination of the final audit fee in respect of 2021/22 and 2022/23.

In doing so, PSAA Ltd will apply the principles that where auditors have worked in good faith to meet the requirements of the Code of Audit Practice in place at the time the work was conducted (and have reported on work that is no longer required), then they are due the appropriate fee for the work done, including where their procedures were necessary to conclude the audit by the legislatively imposed backstop date by way of a modified or disclaimed opinion and the body is due to pay the applicable fee.

Appendix D – PSAA Statement of Responsibilities

As set out on the next page our fee is based on the assumption that the Authority complies with PSAA's Statement of Responsibilities of auditors and audited bodies. In particular the Authority should have regard to paragraphs 26-28 of the Statement of Responsibilities which clearly set out what is expected of audited bodies in preparing their financial statements. We set out these paragraphs in full below:

Preparation of the statement of accounts

26. Audited bodies are expected to follow Good Industry Practice and applicable recommendations and guidance from CIPFA and, as applicable, other relevant organisations as to proper accounting procedures and controls, including in the preparation and review of working papers and financial statements.

27. In preparing their statement of accounts, audited bodies are expected to:

- prepare realistic plans that include clear targets and achievable timetables for the production of the financial statements;*
- ensure that finance staff have access to appropriate resources to enable compliance with the requirements of the applicable financial framework, including having access to the current copy of the CIPFA/LASAAC Code, applicable disclosure checklists, and any other relevant CIPFA Codes.*
- assign responsibilities clearly to staff with the appropriate expertise and experience;*
- provide necessary resources to enable delivery of the plan;*
- maintain adequate documentation in support of the financial statements and, at the start of the audit, providing a complete set of working papers that provide an adequate explanation of the entries in those financial statements including the appropriateness of the accounting policies used and the judgements and estimates made by management;*
- ensure that senior management monitors, supervises and reviews work to meet agreed standards and deadlines;*
- ensure that a senior individual at top management level personally reviews and approves the financial statements before presentation to the auditor; and*
- during the course of the audit provide responses to auditor queries on a timely basis.*

28. If draft financial statements and supporting working papers of appropriate quality are not available at the agreed start date of the audit, the auditor may be unable to meet the planned audit timetable and the start date of the audit will be delayed.
